

Southern Region ADVENTURE GUIDES

For girls aged 11-17 in the Southern Region

with quarterly invites for 10 year olds

What is Adventure Guides?

Adventure Guides is a region based unit (Southern Region) available to girls who are aged 11 – 17 and have a current Girl Guide registration. The unit gives girls the opportunity to participate in outdoor/adventurous activities and have a go at something different, fun and exciting whilst meeting girls from different units around region. We are always looking for more girls (and leader's) to participate in activities, so maybe you can organise some of your friends to come along, your patrol or even your whole unit!

How much does it cost to join?

There are no joining fees involved – you just pay for the cost of the event, so work out which activities sound fun (it may be one, two or the whole lot!). Just make sure your Girl Guides Victoria membership is up to date. Activities start as low as \$15.

How do I participate?

If you like the sound of an activity either from the yearly calendar or the monthly activity flyers, contact Helina Walker (Coolibah). Each adventure (activity) comes with its own flyer (about a month before the activity), please return permission slip and detailed information before the due dates.

How often do activities take place?

Adventure Guides is held on a Sunday (sometimes Saturdays and entire weekends!), every month of the year. It's usually the last week of each month (unless school holidays or state event clash).

Where are activities located?

Activities are located all over the Southern Region (and sometimes beyond). Suburbs this year include: Albert Park, Mornington, Yarra Junction, You Yangs, Oakleigh, Bentleigh, Morrabbin, St Kilda, Montrose & Melbourne CBD (we get out 'n about). Transport for activities vary between: own transport (we encourage you to car pool); public transport (trains and trams); and mini busses supplied by Adventure Guides.

What if our Guide is not quite 11 years old yet but wants to join in on the fun?

Great news! 10 year olds are invited to one activity per term with the 11-17year olds to have a taste of Adventure Guides – the specific activities are on the 2016 calendar.

For girls aged between 8-10 years we have a 'Junior Adventure Guide' unit starting up in 2016. One activity per term will be offered just for this age range. For more details about this unit contact:

Specific flyers for each activity will be directly emailed to the girls and their leaders approx. one month before the event. If you didn't receive one and would like one, please let us know ☺

Once payment and permission form has been sent to Adventure Guides, girls will receive a confirmation email of their activity registration.

Activities are subject to numbers and availability.

Some activity prices might slightly change on the specific flyer due to various activity venues changing their prices throughout the year.
