## Steps

1 Cut material into circle

2 Using a gathering stitch, tack around the edge (approx. 1/2 to 1cm). As you start to pull it together place stuffing into form a body. Gather in until you have about 2cm opening (the head will sit in nicely to this position, and tie off securely. It should now look like a ball

3 Glue eyes, nose and hair (imagination) onto ping pong ball and then glue head to body

4 Wrap a small piece of lace around the neck to form a ruffle and hide the join between neck and body

5 Glue feet to bottom of body to balance your clown

Decorate to your taste
